Environmental Protection: National Priorities.— The bill provides $15,000,000 for a competitive grant program to provide rural and urban communities with technical assistance to improve water quality and provide safe drinking water. EPA shall award grants on a competitive basis and give priority to not-for-profit organizations that: conduct activities that are national in scope; can provide a 10 percent match, including in-kind contributions; and are supported by a majority of small community water systems, currently provide multi-state regional technical assistance, or currently provide assistance to private well owners. The Agency is directed to allocate funds to grantees within 180 days of enactment of this Act.
